

DO YOU WANT TO GET PAID TO WORKOUT AND HAVE A CAREER THAT CHANGES PEOPLES LIVES?!?

Our members can't stop saying, "This is the best workout I have ever had." That's because you will work every muscle in your body simultaneously, with no complicated machines or silly aerobic routines.

9Round is a specialized fitness center dedicated to serving clients who want a unique, fun, and proven workout that guarantees results. 9Round offers traditional "old school" boxing and kickboxing fitness programs that incorporate functional, interval, cardiovascular, and circuit training regimens. The programs consist of a proprietary system of 9 challenging workout stations developed by a professional fighter. 9Round delivers total body results in a quick and convenient 30 minute workout with no class times and a trainer with you every step of the way.

We are looking for kickboxing personal trainers that love fitness and love helping people! 9Round Personal Trainers must be fit, enthusiastic, great with people, willing to clean, and always on time. The Personal Trainer will maintain a fun, fast paced, 30 minute cardio kickboxing circuit. 9Round Personal Trainers will also maintain a clean and professional environment. This is a National Franchised gym that is very busy so learning the sales presentation and phone scripts are vital.

9Round Trainers are expected to empower members to achieve their physical fitness goals, 9 Rounds at a time, and always lead by example. We are looking for trainers that have an outgoing and energetic personality. We like to say, "We are not in the fitness business, we are in the people business." The personality of the trainers will make or break a 9Round Club. Our trainers enjoy the fast paced-high energy environment that 9Round provides. With the circuit training format in a group setting our clubs are packed with energy that is contagious. Each trainer absolutely must be passionate about fitness and love working out. The trainers we hire are not required to be certified because we have our own internal 9Round Kickboxing Certification. Our certification was written by our Founder who is a Professional World Champion Kickboxer.
