

FUNDRAISING MADE EASY

For Restaurants, Retailers
and Local Organizations

Your Fundraising Popup Store

Step 1: We'll Create Your Online Store

Allow us to create your custom online popup store. Choose from a variety of on-demand products and decorating techniques to create your product offering and open your popup store.

Step 2: Spread the Word

Create awareness and promote your new fundraising popup store to customers, employees and the local community.

Step 3: Take Orders

The online popup store makes ordering fast and easy! Completed orders are sent direct to the end customer to proudly display your brand and support your organization.

Step 4: Give Back!

A portion of your organizations' profits from your merchandise sales can be used to help your organization and/or its employees.

Launch a fundraising campaign for your business! Fundraising campaigns are a fast and affordable way to raise funds for your business and/or its employees using the power of branded merchandise. The best part is that there's no inventory purchase up front or fulfillment of products on your end. You just pick a few products for your store and promote the store to your customers, employees and community. We handle the rest. A portion of your organization's profits from the merchandise sale can be used to help your organization and/or its employees in this time of need.
